

To All APA Pool League Members
A Must Read Notice

TEAM Captains your team can earn **2 Bonus for 8-Ball and 30 Bonus Points for 9-Ball.** Simple by making sure that every member of your Team **READS** the attached By-Laws and the 8-Ball Rules and/or 9-Ball Rules section of the Players Manual. After doing so please each member of team sign this form and have it returned to me no later than **WEEK 4.** Simple! But remember, you can loose these bonus points if during the session if you or one of your players calls me or a Division Representative and asks questions about the rules that are clearly shows that the individual has not read these rules. If that signature is there then everyone should have a pretty good understanding of the rules and by-laws.
